Note 1 The total number of outputs for a funding scheme is the simple aggregate of the outputs reported in individual completion/concluding reports of the funded projects submitted by the respective project holders.

Note 2 There was no completion/concluding report of projects funded under AoE Scheme, IDS and SPPR due for submission in the relevant period.

Note 3 Number of postgraduate students participated in the events supported by the PSCSG.

Note 4 Other research outputs include but not limited to workshops, seminars or short courses organised under the IIDS.

*\* The Policy Innovation and Co-ordination Office (the then Central Policy Unit) has taken over the administration of SPPR since 2013/14. The RGC continues the monitoring of the previously approved projects until their completion.*
